Recommendations

The following is recommended:

1. Quick response by humanitarian partners and NGOs to provide shelter, NFIs and food items to the affected households in the affected IDPs sites.
2. Joint cooperation and coordination between local authorities and NGOs to find safe lands for IDPs sites that are away from floods.
3. Providing early warning techniques for rainfall and floods that reduce the damages.
4. Raising awareness of the danger of rainfall in summer and how to prepare for rainfall especially in summer.
5. Local authorities should do their duty in providing assistance to the affected displaced households.
6. Local authorities should facilitate access of humanitarian partners to the affected areas.
