Quarterly Report
Third Quarter

01 Jul - 30 Sep

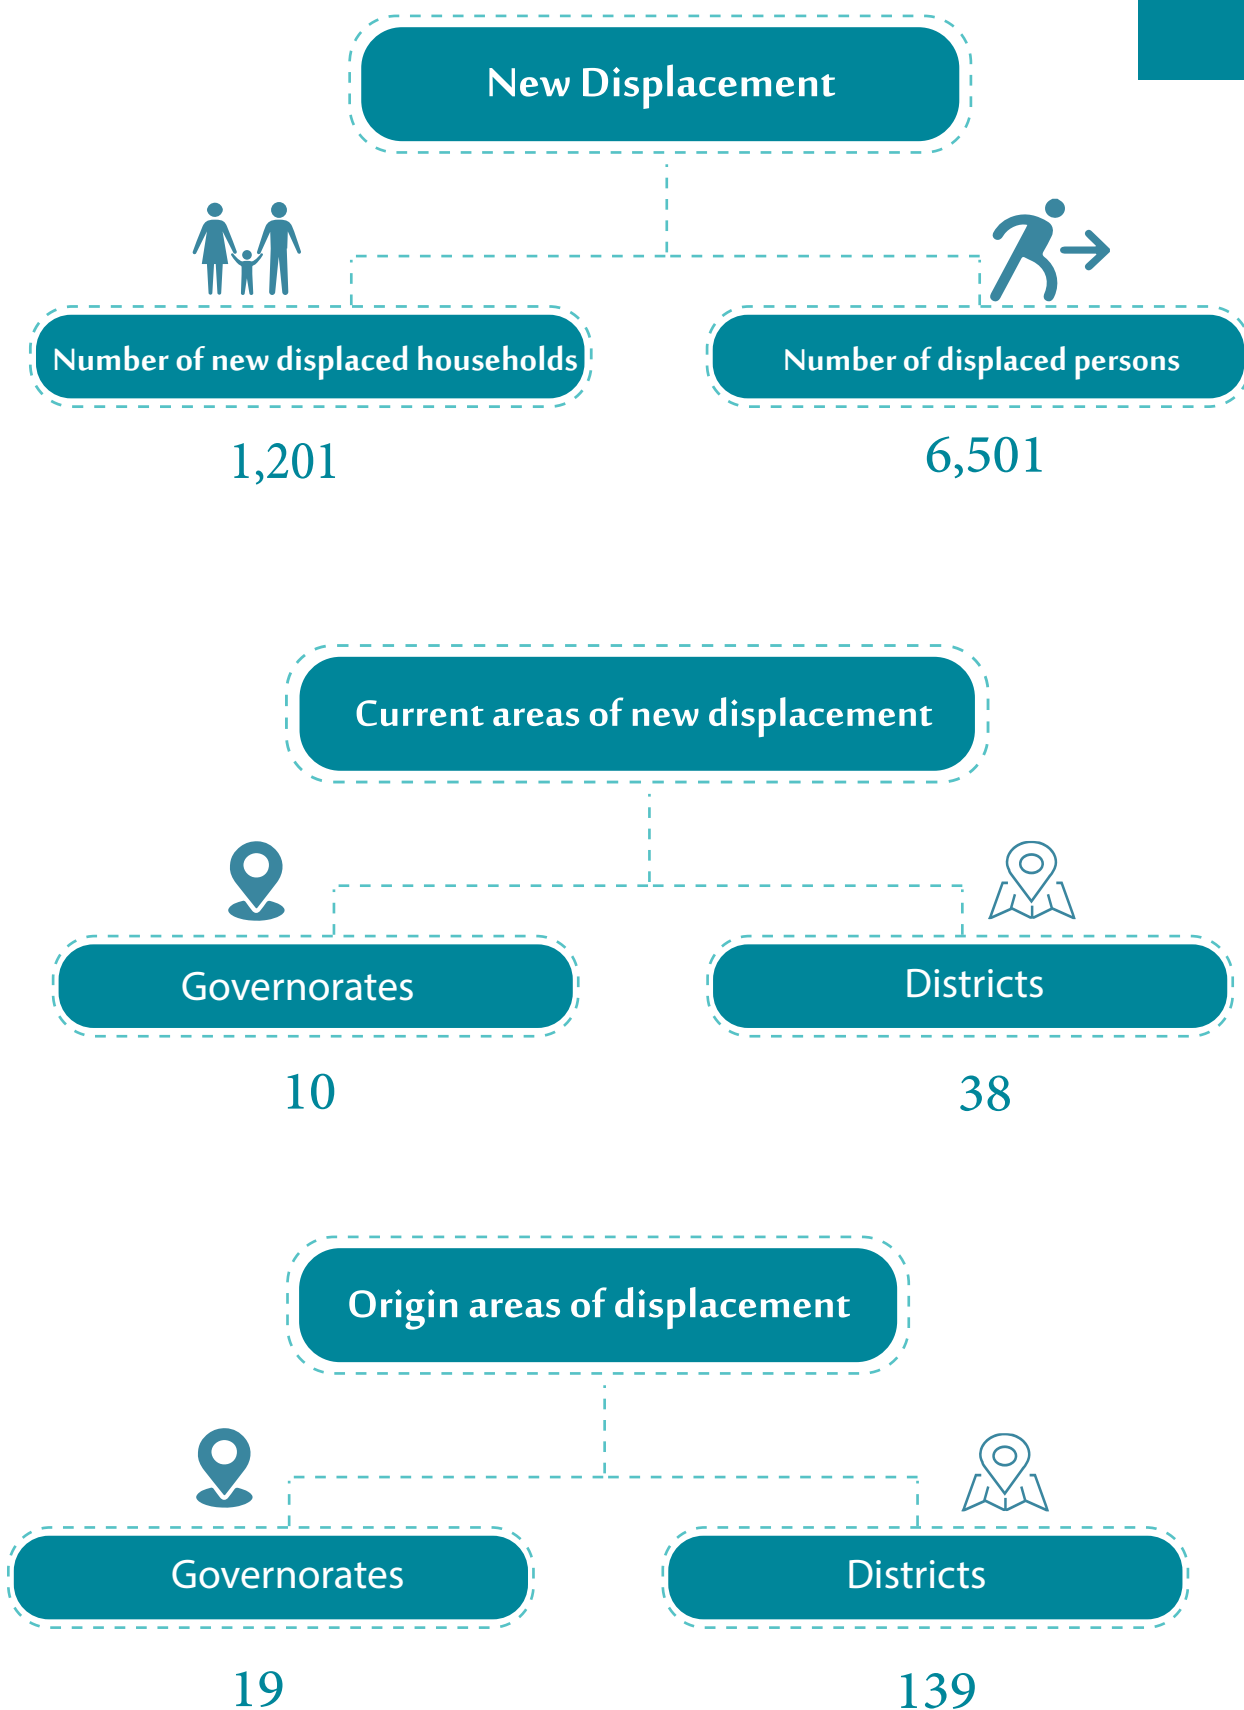

2023

Ex.U.IDPs

New Displacement Movement

New Displacement

During the third quarter of 2023 , approximately (1,201 households) (6,501 individuals) were newly displaced. These households have been come from 19 governorates (139 districts) and they were received by 9 governorates (38 districts).

The main reasons for displacement:

- 1 - Armed conflict
 - 2 - Searching for livelihood opportunities
 - 3 - Violations and prosecutions
- And other reasons...

* **Internally displaced persons (IDPs)** : Persons or groups of persons who had to flee or to leave their homes or places of habitual residence, in particular as a result of or in order to avoid the effects of armed conflict, situations of violence, violations of human rights or natural disasters, and who have not crossed an internationally recognized state border.

Current Areas of New Displacement

Governorates

During the third quarter of 2023, it was recorded that nearly 9 governorates received the new displacement.

Governorate	Population	Displaced	p.c. %
Marib	2,069	321	26.73%
Al Hodeidah	1,167	246	20.48%

IDPs Departure Movement

IDPs Departure

During the third quarter of 2023, approximately (30 households) (141 individuals) left their current locations of displacement.

These households departed from 6 governorates (7 districts), and 9 governorates (14 districts) received them.

The main reasons for displacement:

1. Renewed armed conflict
2. Searching for better livelihood opportunities
3. Violations and prosecutions
4. Forced eviction
5. Desire to return home
6. Inability to pay rent
7. Fires and torrents
8. Diseases and epidemics
9. IDPs departed do not receive support from organizations.

And other reasons...

*IDPs Departed: They are the IDPs who left their current governorates of displacement for other ones.

IDPs Departing Areas

Governorates

During the third quarter of 2023, IDPs departed from nearly 6 governorates to other

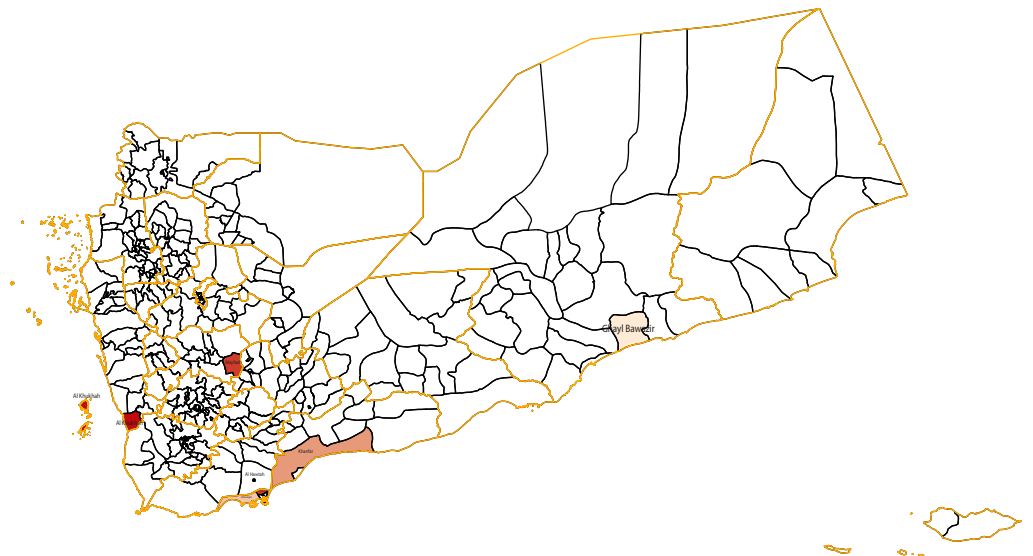

Governorate	p.c. %	Family Icon	Individual Icon

Hays	3.45%	1	2

IDPs Mobility

IDPs Mobility

During the third quarter of 2023, approximately (157 households) (694 individuals) moved within the same governorate.

The main reasons for mobility:

1. The continuation of the armed conflict
2. Searching for livelihood opportunities
3. Violations and prosecution
4. Forced eviction
5. Inability to pay rent
6. Fires and torrents

And other reasons...

* **IDPs on the move:** They are the displaced persons who moved within the governorate of their current displacement from one district to another or between neighborhoods and camps of the same governorate.

Internal Mobility within the Same Governorate

Internal mobility within the same governorate.

Governorates		From district		To district		
Al Hodeidah	133	At Tuhayta	104	Al Khukhah	92	372

Marib	1	Marib City	1	Marib City	1	3

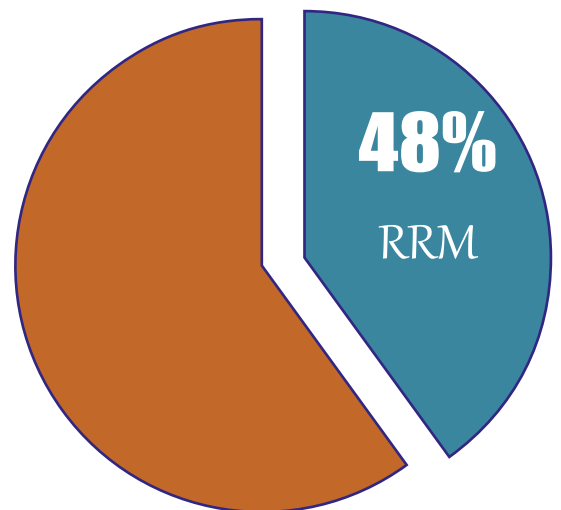

Rapid Response Mechanism (RRM)

During the third quarter of 2023, (01 July - 30 September), approximately (1,201 households) (6,501 individuals) were newly displaced.

This requires that all these households should receive many urgent and rapid interventions to meet their needs; this is one of the rights of the displaced persons. Such humanitarian interventions include various types, the simplest of them, for instance, is: Rapid Response Mechanism (RRM), It was reported that not more than (505) households, i.e. only 48% of the new displacement, received RRM.

Governorates	New displaced HHs	HHs received RRM	% Beneficiaries
Marib	321	201	74%
