

## Preliminary Report on the Damage Caused by Rains and Strong Winds in IDPs Sites in Haradh, Midi, Hayran and Abs Districts, Hajjah Governorate

### Introduction

The liberated Districts of Hajjah Governorate (Haradh, Midi, Hayran and Abs) have experienced heavy rains and strong winds from Thursday, **01/80/2024 until Friday evening, 02/80/2024**. The heavy rains and strong winds led to uprooting tents and damage to food.

The Executive Unit in the governorate monitored this preliminary report on the damages in the IDPs sites. The report also identifies the IDPs' urgent needs.

29	Alfiranatuh	15	10	25	Shelter	Shelter Materials	Food Kits	

### Executive Unit Procedures

The Executive Unit has been working continuously to monitor the situation in the affected governorate, including the impacted sites and camps. It has implemented a comprehensive package of actions including:

- Visit sites affected immediately after the rainfall and storms to document the damage, assess the situation and identify needs.
- Communicate with local authorities in the affected governorates and coordinate with humanitarian partners to provide humanitarian assistance to the affected families
- Follow up on updates on the field developments, assess, identify the needs, issuing an appeal and reports and sharing them with humanitarian partners.
- Coordinate with humanitarian partners to conduct urgent interventions

## Recommendations

- The Executive Unit for IDPs calls on all official bodies and humanitarian organizations to mobilize support and advocacy for the relief of these disaster-stricken areas
- The Executive Unit for Displaced Persons is urging all humanitarian partners to assist these families across key sectors such as food aid, shelter, non-food items, and (WASH) services.
- The Executive Unit for IDPs calls on all humanitarian organizations operating in these districts to provide an emergency stock to respond efficiently and effectively to such emergency situations.
- The Executive Unit for IDPs calls for activating the RRM to respond to emergencies.
